IS EVERYONE READY?

HOW'D IT END UP LIKE THIS...

sigh.....

TO THINK IT WOULD FALL ON US TO FIGHT A GIANT CREATURE...

PLEASE TAKE A LOOK AT THE TABLETS I PASSED OUT.

I'VE PREPARED A LITTLE EXPLANATION FOR OUR CAPTURE TODAY.

PRESI-DENT...

CURRENT LOCATION

WE'RE NOT SURE WHY, BUT THAT CREATURE SEEMS DRAWN TO SUU.

IN FACT, IT'S HEADING HERE... HEADING FOR SUU RIGHT NOW.

YOU SEE THE BRIGHT POINT ON THE MAP?

THAT'S COMING FROM A TRANSMITTER WE IMPLANTED IN THE CREATURE.

HOW DO YOU EXPECT US TO CAPTURE SUCH A CREATURE...

THEY MISTOOK SUU FOR IT AND CAPTURED HER BY MISTAKE.

IT WAS CLOSE TO SUU THIS AFTERNOON TOO, APPARENTLY.

WHY IS THAT THING EVEN DRAWN TO SUU AT ALL?

HUH.. BUT WAIT...

DON'T WORRY, DON'T WORRY. WE'RE THE ONES WHO'LL DO THE CAP-TURING.

YOU GUYS JUST FOCUS ON KEEPING SUU SAFE.

I THINK ONCE YOU SEE IT, YOU'LL UNDERSTAND.

.....

EH?

HOW EXACTLY DO THEY PLAN TO CATCH THIS THING ANYWAY?

THIS KINDA STUFF TO USE?

OH YEAH, THOSE'RE IN MOVIES ALL THE TIME.

SUPER POWERFUL TRANQUILIZER DART

SUPER ALLOY METAL TRAP

WELL AREN'T THERE NORMALLY MORE LIKE...

AND SOME VACUUM PACKS.

ALL WE HAVE IS A HOSE TRUCK...

.....!!

MAYHAPS 'TIS FOR CLEAN-UP... AFTER THE CAPTURE?

HOW'RE THEY GONNA CATCH IT LIKE THIS?

THE GIANT CREATURE...

IT'S COMING THIS WAY!!

TO TO TO TO TO TO TO TO TO TO

IT... IT'S HERE!!

HELP!!

IT'S NESSIE!!

I... IT'S REAL!

IT'S REALLY REAL!!

N.. NO...

THAT'S...?!

.....!?

SO IT WASN'T NESSIE AFTER ALL...!!

A... A SLIME?!

IT'S A CRAZY HUGE SLIME!!

IS THIS WHY IT WAS DRAWN TO SUU...?!

ARE SLIMES DRAWN TO ONE ANOTHER...?!

SUU SET IT FREE BECAUSE THEY'RE BOTH SLIMES...?!

꾸꾸꾸

꾸꾸꾸

꾸꾸꾸

I'M HONESTLY SURPRISED!

ALRIGHT! EVERYONE GET TO YOUR POSITIONS

RIGHT NOW ITS BODY IS IN A GEL FORM.

WHETHER THAT'S DUE TO THE TYPE OF SLIME IT IS, OR A FEATURE OF ITS GROWTH, WE'RE NOT SURE THOUGH.

A SLIME COMING UP FROM THE RIVER...

WHY DID YOU SURPRISE IT DOESN'T JUST MELT?

DID IT ABSORB A BUNCH OF ACCUMULATED SLUDGE FROM THE RIVER WHILE IT WAS MOVING OR SOME-THING?

NEVER MIND THAT!!

HOWEVER, IT'S GOTTEN MUCH BIGGER SINCE ITS ESCAPE...

NAH- WE DIDN'T PLAN ON BRINGING IT HERE.

OH, there's a bad idea actually.

DID YOU WANT TO BREED THEM AS PETS OR SOMETHING?

WHY ON EARTH DID YOU BRING THAT GIANT SLIME TO JAPAN?

WE HONESTLY HAVE NO IDEA WHERE IT CAME FROM OR HOW IT GOT ON THE SHIP IN THE FIRST PLACE.

BUT IT SEEMS LIKE IT REALLY WANTED TO COME TO JAPAN FOR SOME REASON.

WE FOUND IT ON ONE OF OUR CARGO SHIPS HEADING FOR JAPAN.

SO I RUSHED TO GET ALL THE DOCUMENTS TOGETHER FOR ITS IMPORTATION.

WELL, AND

WE DID KINDA WANT SOME SLIME SAMPLES TOO, OKAY?

...SO IT WAS AT THE EXPO THEN...

sigh..

YOU USED THE DANGEROUS EXTRASPECIES AS COVER SO WE WOULDN'T NOTICE ..

SO I FILED FOR AN EXCEPTION UNDER "NEW MATERIALS FOR EXPO USE."

NORMAL PROCEDURES WOULD HAVE TAKEN TOO MUCH TIME, NOT TO MENTION MONEY.

I'VE GOT IT COVERED.

DON'T YOU WORRY.

SO?

HOW EXACTLY DO YOU PLAN ON CATCHING THAT GIANT SLIME?

#3 (of 4)

AGH..

GUH

B.. GOOD JOB, CEREAL!

UGH

OUCH

SLOW DOWN FOR A SECOND~!!

QUICK, MIIA, GET ON!!

OAA-

AAAAAAAH!!

EVERYONE, BEGIN THE OPERATION.

IT'S MOVED OUT OF THE RIVER.

AND THAT IS?

WHAT ARE THEY SPRAYING?

AN EXTREMELY HYDROPHILIC POLYMER.

ONE THAT CAN ABSORB SEVERAL THOUSAND TIMES ITS OWN WEIGHT IN WATER. THE GOOD STUFF.

WE PLAN ON USING IT TO ABSORB THE SLIME'S WATER.

ONCE WE'VE EXTRACTED THE WATER, THE NEXT PART WILL BE EASY.

WHOA?!

WH-WHO IS THAT?!

GET BACK HERE, THIEF!!

DON'T RUN!

Royal Jelly

WAI-

OW

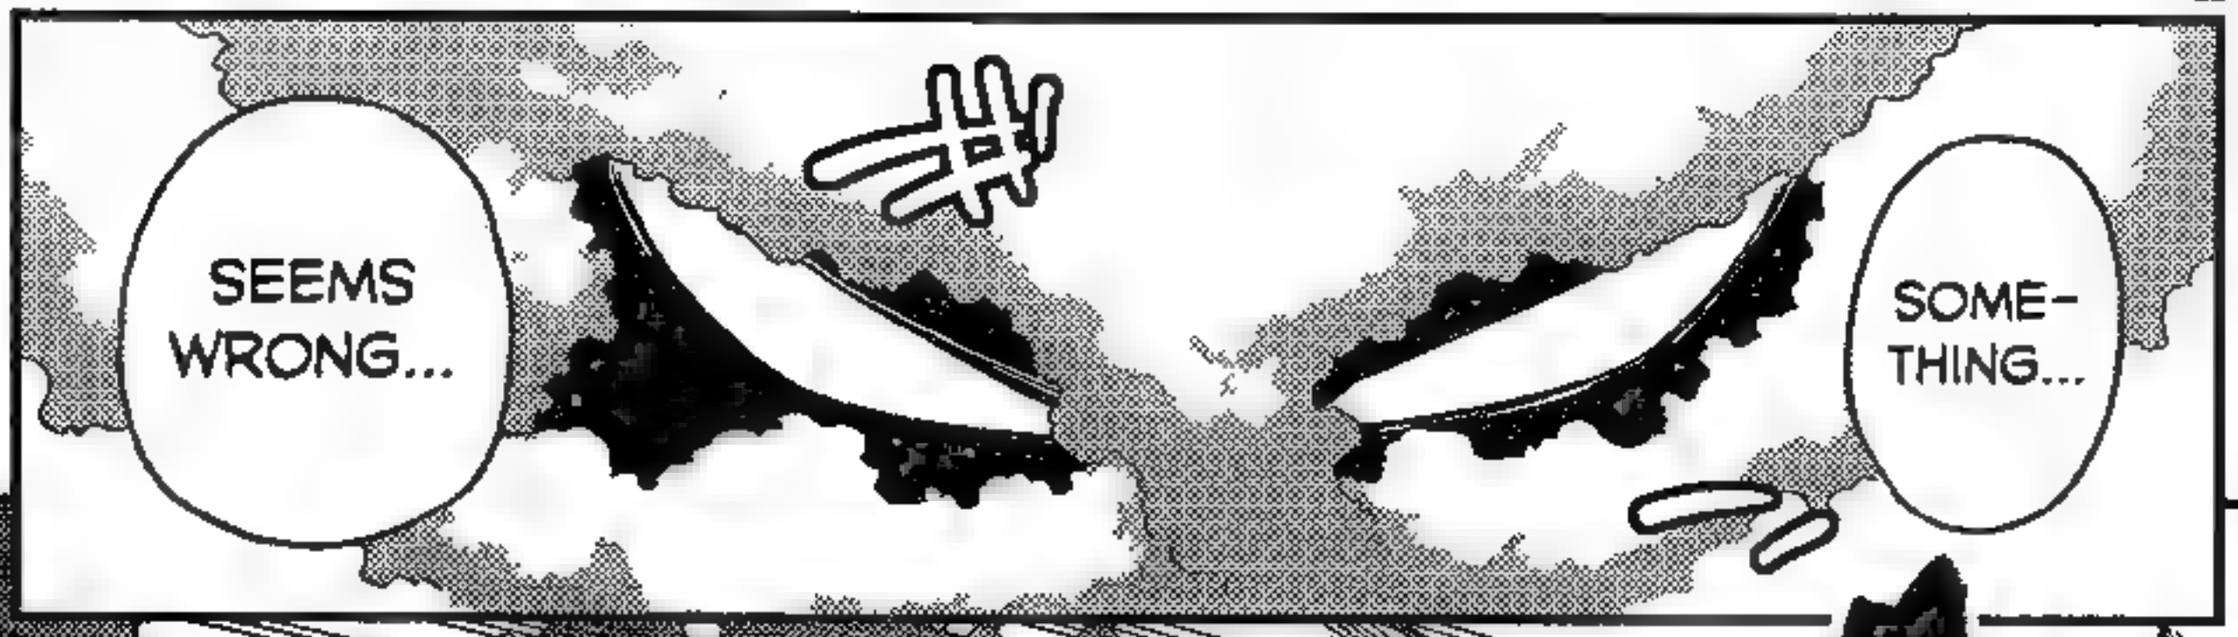
MAN, FORGET THAT! DID SHE NOT HAVE A HEAD.?

HEY, DID SHE GRAB SOME-THIN'!?

GET YOUR VACUUMS READY!!
WE'LL CONTAIN THE CORE TO CAP-TURE IT.

THE CORE SHOULD BE EXPOSED PRETTY SOON.
ALRIIIGHT. IT'S A GOOD BIT SMALLER NOW.

NO...
WE SHOULD BE IN THE CLEAR...
AS LONG AS A SLIME'S CORE IS INTACT IT CAN REFORM ITSELF OVER AND OVER.



SEEMS WRONG...
SOME-THING...

THE GIANT SLIME TURNED INTO SUU...?!

S... SUU?!

WHA?!

IN RESPONSE, THE SLIME'S CONTROL CENTERS BECOME MORE CONCENTRATED, WHICH ALLOWED IT TO TAKE A MORE SOLID SHAPE.

MAYBE USING THAT ABSORPTION AGENT TOOK TOO MUCH WATER, SO

WHAT'S GOING ON...?

MAYBE IT LEARNED THAT SHAPE BY ABSORBING A SMALL PART OF SUU?

IT COULD JUST BE IMITATING SUU WITH THAT FORM, OR

UWAAA-
ÃAAAAH!!
IT'S
COMING
THIS
WAAAY!!

Taxi!!

Hey!

!!?

TOO SMALL.

OH, MY BAD, MIIA-CHAN.

OW-OWOWOW YOU'RE STEPPING ON MY TAIL!!

UHG!!

40!

HEAAA-AAAVY!!

I DIDN'T THINK THAT THING WOULD END UP COMING OUR WAY-

WHEW- YOU SAVED US

IT'S LESS LIKE IT'S DRAWN TO SUU AND MORE LIKE IT WANTS TO GET HER!!

AH- YOU SEE

WHY IS IT STILL CHASING US?!

APPARENTLY THEY NORMALLY DIVIDE INTO NUTRIENT AND EXPERIENCE GATHERING INDIVIDUAL SLIMES

SLIMES ARE A SPECIES THAT SPLIT AND REJOIN OVER AND OVER

SO PROBABLY WHAT'S GOING ON S...

THEY KEEP DIVIDING TO PRODUCE STRONGER INDIVIDUAL SLIMES

THEN THEIR STRENGTHS AND EXPERIENCES ARE MIXED TO PRODUCE FURTHER OFFSPRING

IT PROBABLY WANTS TO ABSORB SUU TO GAIN ALL OF THAT EXPERIENCE, DON'T YOU THINK?

EVEN AMONGST OTHER SLIMES, I THINK SUU HAS GAINED AN EXTRAORDINARY AMOUNT OF EXPERIENCE.

WILL BE BROKEN DOWN INSIDE THAT GIANT.

MOST LIKELY... THE GIRL YOU CALL SUU...

ABSORB... BUT IF IT DOES THAT, WHAT'LL HAPPEN TO SUU?!

I THINK THAT'S PROBABLY WHY IT CAME TO JAPAN, TOO.

THAT'S TERRIBLE...!!

JUST LIKE YOU CAN'T PICK OUT A SINGLE DROP OF FRESH WATER THAT'S FALLEN INTO THE OCEAN,

.....

EVERYTHING UNIQUE ABOUT SUU WILL BE ABSORBED AND SHE'LL BE GONE.

HEY!! IF YOU KNEW THAT WHY'D YOU USE SUU AS A DECOY IN THE FIRST PLACE?!

WAH!?

WAH!?

UGH!

UGH...

nnnnnh

ｽﾞﾙ

ｽﾞﾙ

GET OUT OF HERE... SUU...!

D... DON'T WORRY ABOUT ME...

YOU CAN'T RUN FOR-EVER!!

STOP!! THIEF!!

!?

LIKE!!

I DON'T JUST BUY CAMERAS!!

ANOTHER ME...

WE'RE BOTH SLIMES, SO I LET YOU DO WHAT YOU WANTED... I CAME WHEN YOU CALLED, BUT...

BUT...!

SUU WON'T LET YOU-!!

NOT THIS AGAIN!!

I... I'M GONNA FALL!!

I DO ANYTHING TO HURT MASTER!!

Continued next chapter!
